

UP HIRES NEW PRESIDENT!

After almost two (2) years under the leadership of the UP Steering Committee, the University of Puthisastra (UP) officially welcomed its newly-appointed president.

Professor Ian Findlay last 21st August at Hall B. Prof. Ian Findlay has an extensive experience in the health sciences field with him being a health specialist pioneering

in DNA analysis and the renowned tester of DNA linked to Jack the Ripper.

He has high hopes for UP to become World-Class and an ASEAN leader, and in this ever-changing world equip students, graduates and Cambodia for the 21st Century and beyond.

Prof. Findlay has also opened a channel whereby

students can now submit their feedback on ways to make UP better and be heard.

For any feedback you wish to address to the UP President, Please send an email to feedback@puthisastra.edu.kh

INTRODUCING THE NEW LEADERS OF UP MEDICINE AND UP LABO

Dr. An Srim, (left) & Mr. Ouk Sokseivotanak (right) photo by UP Marketing Team.

With the new leadership in UP comes the rise of new leaders for the Faculty of Medicine and Department of Medical Laboratory.

Dr. An Srim has now stepped up to take acting lead in UP Medicine.

Meanwhile, the restructuring of a stronger UP Medical Laboratory gave rise to Mr. Ouk Sokseivotanak to take acting lead and run with it. Let us continue to support UP, its faculties and leaders.

Congratulations to Dr. Srim and Mr. Votanak!

VOICE IT UP

Here at the University of Puthisastra (UP) we listen to what our students and staff have to say.

“ I recently graduated from UP. I learn a lot of knowledge, experiences and attitudes with good behavior. Don't be afraid to make effort for what nobody else will do, a way that nobody can do, be inspired of what we all gone through, that is to be a Nurse! ”

-Thavy Chheng, UP Nursing Student
