## UP joined The 4th GAC 2018

The 4th Global Alumni Convention was officially opened by Minister Veng Sakhon, EU Ambassador George Edgar, Australian Deputy Ambassador Luke Arnold and GAC Convenor/IDP Country Director Mao Sreng. Thousands of students, parents, alumni and business leaders were at the

knowledge sharing sessions or the education Expo 11-12 Nov at Sofitel. There are 3 components in this convention including: Global Education & Career Expo, Global Education & Business Forum and Global Alumni Dinner. This is an ideal opportunity for expanding University of Puthisastra

to the international level. The University of Puthisastra (UP) has recently gone through a lot of changes, good part of those changes are the degree programs and the foundation year program it is offering.

## Deck chair Dentistry in Cambodia

University of puthisastra partnerships with overseas universities was the driving force that allowed our dentist student to practice with international dentists and gain unique and valuable experience unavailable to most. Recently, we have conducted a joint-treatment with James Cook University (Australia) to treat Cambodian people with issues in paediatric oral health, as well as the difficulties of practicing dentistry in underserved communities.

Discover how to make a difference with UP Dentistry. Experience working in a range of settings, including overseas placements and various opportunity in developing your future career with University of Puthisastra.
