JULY'22 EDITION

33rdSEAADE ANNUAL 20
CONFERENCE 22Siem Reap | Cambodia
24-26 November 2022

Dear Reader,

The 33rd South-East Asian Association for Dental Education's Annual Scientific Meeting countdown has officially started! The scientific committee is working diligently on the program with the theme "Getting Dental Education Back on Track". I think we all know what that means!

The conference will be held at the Sokhalay Angkor Villa Resort in Siem Reap, Cambodia from 24th to 26th November 2022. A really relaxing and rejuvenating experience is provided by Sokhalay Angkor Villa Resort. Come and experience the history, culture and beauty of Siem Reap. Bathe in the early morning light as it illuminates the overgrown Angkor Wat temples and ruins.

Before or after the conference participants can easily access the must-see locations in and around the city. Siem Reap Airport, Pub Street and the famous UNESCO site Angkor Wat can all be reached within a short drive.
